

# A C.R.A.S.H. Course in Anti-Oppression

Examining

## Classism Racism Ableism Sexism Heterosexism

This One-Day CRASH Course is for:

- Managers who want to build inclusion in the workplace for potentially marginalized employees
- Public facing officials who face a high level of scrutiny to serve the public in a fair and just manner

Equity Strategist Chris D'souza will examine concepts of complex intersecting identities that can provide privilege or alternatively increase the potential to be oppressed in society and work environments. In order to effect true change, one must understand the barriers and collaboratively implement long term anti-oppression strategies.
